

PLEASANT HILL  
OUTDOOR CAMP

# *Summer's Best Adventure*

## ***We Promise:***

*You will be safe*

*You will be challenged*

*You will have fun*

*You will be loved*

Experience the amazing love of Jesus with  
incredible people in an extraordinary environment.

*From the Director:*

*Camp is an amazing place, because camp is a safe place. It is a safe place to be yourself, and a safe place to try new things. It is even a safe place to fail.*

*Ever since my first day at summer camp over 20 years ago, camp still feels like a place where everything is possible. Negative words are replaced by enthusiastic staff cheering, "Yes!" "Let's try that!" and, "You can do it!"*

*When we finally do try that new, scary thing, success is met with celebration. More importantly, when we crash and burn, we find acceptance, encouragement, grace, and the promise that we can try again. We learn that we have great value that is not changed by any behavior or performance.*

*Camp has certainly seen my biggest successes and my greatest failures. In those moments, camp has been the site of my most significant spiritual, social, and emotional growth.*

*This summer, we pray that your child gains the confidence to tackle the world and the security to know that, whatever the outcome, they are valuable, and they are loved.*
